

At the heart of Vollpension

Our baking grandmas and grandpas and their home-made cakes

Where can you find the best cake?
Right! At Grandma's.

The good news: At our place, there's a whole team of baking grandmas and grandpas who bake the most awesome, fresh cakes and pies daily with great skill.

The baking grandmas on duty decide what gets baked. And they have only one principle: Wherever it says 'Vollpension', only fresh and authentic ingredients are used following tried and true family recipes. And lots and lots of love.

The fastest way to get hold of one of our cakes? Order one from the waiter/waitress, you'll get a **Grandma-Coin** and then pick up your favorite cake directly from the grandmas and grandpas at the counter.
